

PRINCIPAL'S REPORT

Our motto: Strive for Success

Our Vision: Every student will be supported through high quality teaching and learning practices in achieving successful outcomes and a pathway of their choice.

Our value words: Respect, Effort, Responsibility

Welcome back to the start of a new school year, it has been very busy with many new enrolments and the induction of new staff. We are still working to complete our staffing structure for 2019 due to a couple of late resignations but we hope to have that completed in the next couple of weeks. I can hardly believe we are already at the half way mark of term one and Progress Reports are available. This is an opportunity for everyone to assess how they are progressing and ask themselves this question. How can I improve my outcomes?

We have welcomed eleven new staff to the college at the start of 2019 and they are working in the following areas. Zoe Zhang – Visual Communication, Adrienne Johnson – Art/Studio Art, Jermaine Doh – Media, Shani Wu – English / Humanities, Tanya Uwaraw – English / Humanities, Jade O'Connor – English / Humanities, Ruth Douglas – English/ Humanities, Alice Vincent – Maths / Science Year Level Leader Year 10, Christine McCartney – Student Attendance / Admin, Dionne Hose – Chaplain and Susan Camilleri - Student Engagement Counsellor.

Over the summer break we had a number of works completed and I would like to thank our college grounds keeper, Joe Galea who coordinated these projects to improve the environment we all work and learn in. A delivery of new furniture for LRC and outdoor furniture for the area between the rugby field and the 700's building has arrived and will be in place soon. Concreting has been completed between the 100's and 500's building and our plan to eliminate the areas covered by stones is progressing nicely. New student lockers have been installed to replace old lockers along the 600's & 700's. A new oven has been installed in the canteen to enable the canteen to provide recess snacks and hot lunches to our students. New blinds have been installed in rooms 406 & 408, the admin area and meeting rooms.

Our student Captains, Vice Captains and Leaders for 2019 have been selected and the students who proudly represent the student body are:

School Captains: Logan Faafuata and Ada Cardona,
Vice Captains: Deniz Turkyilmaz and Angie Stanton,
Achievement Leaders: Priscilla Chiwota & Tiba Sabri
Communication Leaders: Elena Margeta, Jesse Sexton,
Social Justice Leaders: Balla Koko, Amenah Sabri and
Environment Leaders: Riley Burns, Kirsten Canares.

These are a very important roles and our student leaders make an enormous contribution to the school community. This week on Monday they ran the first whole school assembly and they did such an outstanding job that I have formally handed them the responsibility of running all our assemblies in 2019

To finish off I would like to congratulate our 2018 Year 12 students. Our graduating VCAL students have now started in employment or further study. In 2018 the PCSSC ATAR scores had a significant improvement especially for students achieving ATARs above 70. 2018 ATARs in the 90s - 8, ATARs in the 80s - 15, 70s - 16. This is excellent news, our top ATAR was 98.65 our highest ATAR to date. We had an outstanding result for those VCE students who applied through VTAC to gain university entrance; 97.28% of Point Cook Senior students received a round one offer. Thus, all students that attended Point Cook Senior Change of Preference appointments received an offer. We had 9 students receive an offer at the University of Melbourne compared with 1 student in 2017, 7 students into Monash University and 31 at RMIT University and 22 RMIT TAFE. I look forward to hearing of their achievements in the years to come.

I look forward to working with everybody in our college community throughout 2019 to achieve successful outcomes for our students.

Chris Mooney

*together we are creating a
healthy school*

achievement
program

SCHEDULE 4: NOTICE OF ELECTION AND CALL FOR NOMINATIONS

An election is to be conducted for members of the school council of

POINT COOK SENIOR SECONDARY COLLEGE.

Nomination forms may be obtained from the school and must be lodged by 4.00pm on

12 / 03 / 2019 (insert day, month and year).

The ballot will close at 4.00pm on

25 / 03 / 2019 (insert day, month and year)

The terms of office, membership categories and number of positions in each membership category open for election are as follows:

MEMBERSHIP CATEGORY	TERM OF OFFICE	NUMBER OF POSITIONS
Parent member	From the day after the date of the declaration of the poll in 20. <u>19</u> to and inclusive of the date of the declaration of the poll in 20. <u>21</u>	3
DET employee member	From the day after the date of the declaration of the poll in 20. <u>19</u> to and inclusive of the date of the declaration of the poll in 20. <u>21</u>	4
Student member	From the day after the date of the declaration of the poll in 20. <u>19</u> to and inclusive of the date of the declaration of the poll in 20. <u>21</u>	2

Following the closing of nominations a list of the nominations received will be posted at the school.

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.

Principal signature

Welcome back from the Year 12 team

It has been a very busy start to 2019 with plenty going on with the 12 students. Students have settled into classes well and are working productively. At our first year 12 assembly, I mentioned that there are only 165 school-days left until the students finished their journey. By the time this newsletter is published there will only be 140 days left until we say our final farewells and students are getting ready for their final exams. The one message I have for students is 'proper preparation prevents poor performance' – be prepared by revising your notes, be prepared by asking for help, be prepared by getting to school on time, be prepared by making sure all work is completed in class. If you are prepared, then you don't need luck.

The Year 12s visited RMIT for their Orientation Program where they heard from Bryce Flannery talking about being prepared for Year 12, Trish Walker about VCAA guidelines and expectations, and Mary Dimech-Hill about ATAR and study scores. Students completed an 'Instagram Campus Challenge' and also heard from Carol Cook AM. Carol is a Para-Olympian who won gold at London 2012 and Rio 2016. Carol spoke about perseverance and resilience and students were highly entertained and inspired.

Thank you to all the parents and students of Year 12 who attended our Welcome Night. We hope that you left with essential information that will relieve some stress of what will be an extremely stressful year for some. If you have any more questions, then please feel free to call Bryce Flannery on 9395 9271.

Students are reminded that Week 5 brings the first round of Progress Checks, so please check Compass. It is essential that students have a laptop and are constantly checking emails, compass and google classroom as this is our preferred method of communicating with students and home. Uniform reminder: PE uniform is only to be worn by PE students, on practical class days, and students are expected to be in school uniform every day. Please check your students' diary for our uniform policy. If students are out of uniform, then a note from home needs to be provided and taken to the Advisory teacher before 8.50am and a uniform pass will be issued.

Bryce Flannery, Year 12 Leader

Year 11 Orientation Program

On Friday 15th February the year 11 students experienced a day full of activities, beginning with an information session preparing them for their senior years in their chosen pathway. Elevate Educate unlocked the key to achieving personal best through the Study Sensei program for VCE students, while the Proven Group prepared VCAL students to be job ready with tips on writing the perfect resume when applying for that dream job. The morning also included team building activities that showed students ability to navigate through a variety of challenges which had to be completed in one minute.

The students were treated to a delish morning tea with a variety of muffins and cookies before heading to the theatre for a show filled with magic and illusion. Both students and teachers assisted the magician with some of his tricks, but no matter how hard we all looked, no one could work out how the magician made water flow from Paolo's elbow or how Mr Phelan's, 'signed \$50 note', ended up inside a lemon.

After lots of laughter and wow's it was time for a BBQ lunch including soft drink, water and fruit.

The students then returned to the theatre for a performance of *Love Drunk* by Phunktional Theatre. *Love Drunk* deals with lots of issues that are relevant to most young people's lives: friendships, relationships, sex, sexual violence, drugs and alcohol, partying, family, and the social pressures of becoming an adult. Throughout the performance, discussion questions were facilitated touching on critical issues, finishing with a focus on where to seek help or get more information.

Year 11 Welcome Night

Thank you to all families who attended our welcome night on Tuesday 19th February. It was great to see some familiar faces and some new ones. If you have any further clarifying questions about anything that was covered on the night, please don't hesitate to contact your child's advisory teacher or the Team Leader via compass or call 93959271 and ask to be put through to the advisory teacher.

Congratulations to Danny Robertson who won our parent challenge. You will receive your movie voucher prize shortly.

Year 10 Orientation Program

On Friday 15th February year 10 students travelled to the YMCA Lady Northcote Recreation Camp in Bacchus Marsh for our Advisory orientation program. Students had a wonderful day participating in a range of activities such as archery, canoeing, cycling and outdoor sports. It was a terrific opportunity for students to get to know their Advisory group members and build upon their team work skills. Well done to all students for their tremendous efforts and a very special thank you to all year 10 Advisory teachers for their support, it is greatly appreciated.

Student Leadership

Welcome to the Student Leadership section of the Newsletter! We will be giving you updates throughout the year on what Student Leadership at Point Cook Senior is doing throughout the year.

Student Assembly

During Advisory on Monday the 25th, our student leaders held our very first assembly for the year; an assembly 'for students, by students'. An enormous shout out to our magnificent student leaders and our school captains who had planned the assembly focusing on student issues and information at assembly on Monday, as well as beginning to create an assembly culture for students to speak with each other about our ideas. Our leaders outlined their visions for the future of Point Cook Senior and it starts with having regular assemblies to acknowledge student achievement and to celebrate our community. It was amazing to see all of our students from our new Year 10s to our Year 12s engaging with the assembly and respecting the national anthem along with a fantastic acknowledgment of country led by School Captain Logan. We acknowledged 4 Year 10s who have displayed positive behaviours around school, made even more impressive considering they have only been here for five weeks. So, again, congratulations to Beatrice Tan, Jerry He, Alexia Eleftheriadis and Victoria Green for being such great and inspiring students! Also, we welcomed out newly elected leaders and we are really excited to be working with them this year. Lastly, I would like to reiterate the school leaders who gave the assembly and are representing the school. It is really hard to speak confidently in front of 900 of your peers and we did a great job.

Student engagement

There have been a lot of fun events planned and in the planning stages by our student leaders. A really successful Valentines Day celebration proves how dedicated our leadership team is towards engaging students and the leadership qualities we as students have. On the Thursday of Valentines Day, our Year 12s participated in a 'secret admirer' service which was run and led by our school vice-captains Angie and Deniz. A stall was set up in the 100s the Wednesday prior where students came and wrote letters of admiration and appreciation to one another which were then sorted into

Advisory groups and passed out with a small chocolate. What a success! Over 200 letters were exchanged that day, and with such short notice of the event as well! Massive shout out to Deniz who spent the Wednesday afternoon sorting the letters and taping each individual chocolate to every letter. There was also 'Ten Things I Hate About You' shown during lunchtime and we want to thank all students who attended for not only joining us in having a bit of fun, but also helping us pack up!

The next big event on the calendar is Harmony Day on Thursday 21st of March. Harmony Day is an opportunity for all students to celebrate and educate each other about their cultures and to reflect on what it means to live in a multicultural Australia. We are organising this as our first out of uniform day and money raised will go to the charity 'Barefoot to Boots' which provides educational materials to children in Africa as Australia is also well known as a country that helps out others. We will be running food stalls and performances during the week, so if anyone is interested, please see your nearest student leader!

Clubs

Clubs are just beginning again for the year.

Our highly successful Basketball Club with Mr Phelan are running trials next week after school on Monday, Wednesday and Friday. Competition for spots is really fierce so make sure you go down and bring your best game. We have gone to Nationals for the last five years and represented the school really well so please join! We have organised a surprise coming up for club members in a couple weeks too, so stay tuned.

Futsal Club will be starting next Tuesday at lunch time as well for trials. Bring your indoor shoes and come and try out. We would like to go to the State competition this year so if we get enough committed team members, that can happen!

Horticulture Club has also started in the Veggie Patch at the back of the school. While it has not been ideal conditions with all of this heat, we are starting to see the little seedlings sprout up in the greenhouse! If you are interested in claiming one of the very few remaining plots, please see Mr Monteleone for an induction.

We want more clubs to happen and we have some teachers that have volunteered to share their passions. We would also like to hear from you! If you have any ideas for clubs, please see your nearest student leader!

Angie Stanton
Vice School Captain

School Captains Achievement Awards

The following students have been given recognition by the School Captains for displaying the Point Cook Senior values: Respect, Effort and Responsibility.

Beatrice Tan

Jerry He

Name: Victoria Green

Alexia Eleftheriadis

Attendance – Every Day Matters

There are times when we will need to contact you, including on the day if your child is absent and you haven't informed the school as to why. Do we have your most up to date contact details? If not, please contact the school on 9395 9271 so we can update our records. Please include parent/carers' name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details or your circumstances change.

Notify the school of your child's absence

Protecting the safety and well-being of children through the reporting and monitoring of absenteeism is the responsibility of both parents/carers and schools. Please remember to call the school on 9395 5157 or email at point.cook.senior.sc@edumail.vic.gov.au or log your child's absence using our school's IT platform Compass early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly.

Our school will text you as soon as practicable on the day if a student is not at school and you haven't notified the school as to why. If you are notified by the school that your child is away without a reason, please contact us as soon as possible by calling the attendance hotline on 9395 5157 to let us know where your child is. If we cannot reach you because we don't have your correct contact details (i.e.: message notification fail, disconnected number), then we will make contact with any emergency contact/s nominated on your child's file held by the school, where possible, on the same day of the unexplained absence.

Please remember it is your responsibility to contact us to provide an explanation for your child's absence from school, and where possible, please inform us in advance of upcoming absences.

For further information on the processes and procedures our school uses to record, monitor and follow-up student attendance and absence please read our Attendance Policy <http://www.pointcooksenior.vic.edu.au/absence.html>

This system also promotes daily school attendance. Going to school every day is the single most important part of your child's education, they learn new things every day – missing school puts them behind.

Some important information:

- An 80% attendance rate is the equivalent of missing one day per week or 40 days per year or over 2/12 years P-12.
- An 85% attendance rate is the equivalent of missing 30 days per year.
- A 90% attendance rate is the equivalent of missing 1 day per fortnight or 20 days per year.
- A 95% attendance rate is the equivalent of missing 10 days per year.

BENEFITS OF EXERCISE FOR COPING WITH STRESS

- Exercise **reduces levels of the body's stress hormones**, such as adrenaline and cortisol, which reduces the experience of stress.
- Exercise helps to **reduce muscle tension** associated with elevated sympathetic nervous system reactivity.
- Exercise increases the efficiency of the cardiovascular system/flexibility and **stamina for encountering future stressors**.
- Exercise results in the release of beta-endorphins reducing pain and stress levels.
- Exercise leads to a focus on breathing and perfecting a repetitive motion, leading to **calm feelings like meditation**.

Past Year 12 Students

In February former Year 12 students Mikaela Burke and Talia Peck attended the Point Cook Senior Year 12 orientation day at RMIT university. Talia is currently completing second year of a double degree Bachelor Laws/Global Studies at Australian Catholic University (ACU). She is also a recipient of the Passion for Laws scholarship. Whilst Mikaela is working at the Werribee Mercy Hospital following the completion of studies in health at Victoria University. We wish both alumni students ongoing success and greatly appreciate their shared knowledge and presentations which inspired our students.

What's happening in VCAL

What a great start we've had to 2019 with the VCAL students. First up we had our RMIT orientation program alongside the VCE program where we heard from Mikaela Bourke, a former Point Cook Senior Secondary College VCAL student. Mikaela spoke about her VCAL experience, about resilience, and never giving up. In class, we've been studying 'employability skills' such as team work, planning & organising, communication and initiative and enterprise. Specifically, in Senior Personal Development Skills we've been using our planning and organising skills by organising a class excursion. Students had to research venues, undertake risk assessments, communicate to venues, ask for permission from the Principal class and present their ideas. In Senior Work Related Skills we have been working on career exploration where by Year 12 students have completed individual research using a number of careers websites and presented their findings. We have commenced workplace hazards investigations including violence, bullying and death in the workplace. Students have commenced securing their work placements and are working well towards becoming job ready. In Literacy we have been studying the movie 'The Blind Side' and the link between racism in society and sport. We have written a review on the characters, our expectations on the film and have been researching 'Coming of Age' themes.

In our Year 11 Intermediate VCAL program, Personal Development

Students have been researching Road Safety Issues and have been completing their social media images and social media posts for the 'RACV Safe Mates program. The program allows students to be creative contributors in a road safety campaign. It is an opportunity for young people to have their say about road safety and to help their mates stay safe on the roads. In Work-related skills students have been researching their particular occupation of interest. They have been researching the working environment, how they may be employed, the laws governing employment, stakeholders in the workforce and how the workforce is changing and Occupational health and safety. All in all, it has been a busy first 5 weeks and

we're looking forward to sharing our new projects with you in the coming year.

Bryce Flannery – VCAL Coordinator

Lunar New Year

Lunar New Year was celebrated here at Point Cook Senior and 2019 is the year of the pig. The pig is the twelfth of all zodiac animals. According to one myth, the Jade Emperor said the order would be decided by the order in which they arrived to his party. The pig was late because he overslept. But despite being late and oversleeping it is also said that people born in the year of the pig have a beautiful personality and are blessed with good fortune in life.

Many of our students celebrated the Lunar New Year in different ways, such as:

- Big family gatherings with lots of delicious food
- Going to the city to watch the fire works
- Hanging out with family and friends
- Helping family cook

Happy Lunar New Year!

Point Cook Senior Careers

Point Cook Senior Careers office has been very busy throughout December 2018- February 2019. Our college had 147 Year 12 students (from 2018) apply for University and TAFE courses. We are delighted to announce that 97.35% of students received a tertiary offer through VTAC. Students were accepted into many institutions including, RMIT, Victoria University, The University of Melbourne, Monash University, Deakin University, Deakin College, Kangan Institute, The Gordon TAFE, Latrobe University and ACU. Students were also accepted into an array of courses including Science, Biomedicine, Psychology, Fashion Styling, Education, Nursing, Engineering, Law, Design, Justice and many more courses. Since graduating from our college in November many other students have also been successful in obtaining apprenticeships and full time employment. A big congratulations to all our graduates from 2018 and we look forward to hearing about your successes in the near future.

Scholarship application support is an important part of the careers office role. I am excited to inform that our students were awarded a number of scholarships. For example, The University of Melbourne Principal Scholarship \$5000, Victoria University Academic Achievers Scholarship Higher Education \$20,000 and \$5,000 VU TAFE Scholarship. Western Chances also awarded 7 Point Cook Senior students' scholarship of up to \$1100 per student to assist with textbooks, Myki and other funds to support their university studies.

In 2019, 15 Year 12 students have commenced School Based Apprenticeship Traineeships (SBATS) in Building & Construction, Automotive, Business and Hospitality. These students will spend one day a week at TAFE attaining a Certificate III qualification and one day a week working in their specific career Industry area.

Throughout 2019, Point Cook Senior Careers department will be offering careers exploration curriculum activities, incursions and excursions to support all students in Year 10-12 by using the WIRL program and the Point Cook Senior Career Tools website. We look forward to a very productive year and continued ongoing support to best prepare our students to achieve their pathway/career aspirations and goals.

Mary Dimech-Hill

Gordon TAFE Awards

Congratulations to Heidi Rasmussen!! Heidi was awarded the Gordon TAFE School Based Trainee of the year at the Gordon TAFE awards held February 27 2019. Heidi completed a Certificate III in Companion Animal Services and a one day a week paid work placement at Direct Vet Services Point Cook. Heidi has secured a part time position at this vet clinic and hopes to pursue tertiary studies to one day become a vet.

together we are creating a healthy school

achievement program

Swimming Trails

Our school ran private swimming trials on Monday 25th February at Lara Outdoor Pool. There was something for everyone with an opportunity to swim in the freestyle, breaststroke, backstroke, butterfly and relay event. The relay event held some excitement with the Year 12 boys team narrowly beating Sophia Potter (who swam the whole 200m by herself!) and the staff team in 3rd place.

We also ran a knockout novelty event where students were required to swim under lane ropes, run around the grassed area, wear a funny hat and finally pick up a sinking device at the bottom of the pool which proved a lot of fun for students.

All swimmers were enthusiastic and supported and encouraged one another on the day. Swimming can be quite a challenging sport and we congratulate and recognise every student that participated and tried their hardest in all swimming events.

A special mention goes to the staff, Ms. McVay, Mr. Crothers, Mr. Russo and Mr. McDonald, that helped make this day possible for the students.

Successful swimmers will now move onto the Hobsons Bay Division competition which is held on Tuesday 19th March at the Werribee Outdoor Pool.

Alice Pung Year 10 English Incursion

On Wednesday the 6th of February Year 10 English students were treated to a visit from author and editor Alice Pung. She told us stories of her childhood growing up in the Western Suburbs of Melbourne and how we could use our own experiences to influence our own story writing. Some people were even lucky enough to have their copy of 'Growing up Asian in Australia' signed by her! At the beginning of her visit she told us all that she loves coming to Point Cook Senior as we are such a welcoming community and ask so many interesting questions of her life and her job editing the text we are studying. We were very lucky to have Alice visit us and all enjoyed having her tell us about her childhood especially the story of her dad embarrassing her at the dinner table.

A student's novel signed by the author, Alice Pung.

PCSSC: Respectful Relationships Commitment Statement

Point Cook Senior Secondary College is committed to creating a safe and inclusive environment that promotes gender equality, celebrates diversity and encourages respectful and healthy relationships. Through the teaching of Respectful Relationships, the school will influence the development of a healthy community culture.

AS PART OF THIS COMMITMENT:

- Our principal will actively promote gender equality and speak out against gender-based violence.
- Our school will provide:
 - professional learning for leadership staff for the planning and implementation of the whole school approach to promote respectful relationships and gender equality
 - professional learning for teachers delivering Respectful Relationships curriculum in the classroom
 - professional learning for all school staff on gender equality, the prevention of gender-based violence and Respectful Relationships Education.
- Our school will undertake a thorough assessment and planning process to identify gaps and limitations in existing culture, policies and practices in gender equality.
- Our school will create mechanisms for staff feedback on gender equality in the workplace.
- Our school will identify, resource and implement key actions to promote gender equality and prevent gender-based violence.
- Our school will engage with external experts for advice and support in promoting gender equality and respectful relationships among staff and students.
- Our school will build partnerships with expert family violence services to increase school capacity to respond to students and staff who experience, witness or perpetrate gender-based violence.
- Our school commits to continual improvement and evaluation of Respectful Relationships Education.

Bicycle Helmets

A reminder to parents and students who ride bikes to school that it is a legal requirement for all riders to wear helmets and obey all road rules.

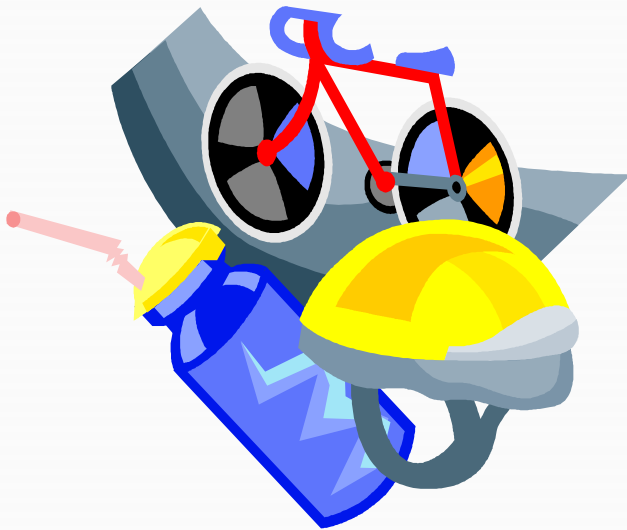

Bicycle helmets became compulsory in Victoria on 1 July 1990. By law, Victorians must wear a helmet that has been approved to Australian Standards.

The law applies on roads, bike paths, bike lanes, shared and segregated footways and in other public places such as recreational parks and car parks.

Safety

Bicycle helmets save lives and lower the severity of injuries

The college is concerned that a number of students are riding to school without helmets and putting themselves at risk of serious injury. Please ensure that if your child is riding to school that they are wearing a helmet.

Compass Portal

Just a brief reminder that the majority of our communications with parents at PCSSC are made through the Compass Parent Portal. All parents have a portal account that provides access to reports, attendance information, absence requests and approvals, school photo ordering, teacher email contact, booking for parent-teacher interviews, calendar of events, excursion consent/permissions and news items to keep you update with what is going on.

If you are a CSEF (Camps, Sports & Excursions Fund) recipient, please contact the school before consenting to any event so that we can adjust the costing.

To access your account:

go to the College's homepage www.pointcooksenior.vic.edu.au and click on the Compass Portal icon.

Compass Portal

Click here to login to the Point Cook Senior Compass Portal

or directly go to Compass login

Point Cook Senior Secondary College

Remember me

Can't access your account?

<https://pointcooksenior.vic.jdlf.com.au/Login.aspx>

If you are having trouble accessing your account, click on the "**Can't access your account**" and follow the prompts to access it using your username, email address or mobile number. If you need guidance on how to navigate the Compass Portal, please contact the school.

Breakfast Club

Where: Room 312
When: Fridays
Time : 8.00am - 8.30am
All welcome

Our Breakfast Program has now been running for 8 years. We have been beneficial in supporting those students in need and also developing relationships between staff and students. The program also improves student wellbeing, supporting their outcomes. Everyone is welcome to attend and enjoy a free breakfast and a fun and enjoyable environment to start their school day.

ATTENDANCE

Student attendance information is available on Compass, including the option to approve absences and input requests to leave early for an appointment. Students are required to provide a medical certificate when absent from a VCE class or assessment.

Late Arrival to School - Students are requested to use Compass card to sign in at Kiosk at the front of the school. Students who do not have cards can report to the attendance office.

Early Leave - Parent approval is required for any student requesting to leave early. This can be done either by parent entering approval on Compass or contacting the attendance office.

IMPORTANT DATES

Term 1:

04 March – Senior Summer Interschool Sports

11 March – Labour Day Public Holiday

12 March – Curriculum Day - Students Free Day

18 - 20 March – Year 12 Outdoor Education Camp

04 April – Western region Swimming

04 April – Parent Teacher Interviews (evening)

05 April – Parent Teacher Interviews (morning)

05 April – Year 12 Further Maths SAC

05 April – Term 1 Ends

23 April – Term 2 Commences

25 April – ANZAC Day Public Holiday

20 May – Hobsons Bay Division Cross Country

23 May – Senior Winter 1 Interschool Sports

27 - 31 May – Mobile School Dentist

28 May – College Athletics Carnival

05 - 07 June – Student Leader Camp

03 - 06 June – Year 10 & Year 11 Revision Week

10 June – Queens Birthday Public Holiday

07 - 14 June – Year 10 & Year 11 Mid-Year Exam

12 June – GAT all students enrolled in Unit 3 & 4

17 June – Assessment Day

20 June – Western Region Cross Country

28 June – Term 2 Ends
