# Principal's Report

## Respect Effort Responsibility

**School Vision:** Every student will be supported through high quality teaching and learning practices in achieving successful outcomes and a pathway of their choice.

## Strive for Success – Attend Today Achieve Tomorrow

This term we have hosted visits from two of our local politicians, it is great to have them visit the college and meet students and staff.

Tim Watts MP who is the local federal member in the House of Representatives visited the college on Wednesday 15 March and spoke to our Year 12 Legal Studies students and SRC members on a range of subjects including authority and the development of democracy, the constitution and referendums and republics. The Q & A session was robust and our students asked some very interesting questions.

We followed with a morning tea and meet and greet for the SRC members. There was plenty of photo opportunities.

To conclude the visit, I took Tim on a tour of the college where he asked several staff about their roles and our students.

Look out for the article written by students in this newsletter.

Mathew Hilikari MP who is the local state member in the Legislative Assembly visited the college on Wednesday 29 March and I took him on a tour of the college and introduced him to staff and students. He was particularly interested in the pathway's destinations of our students and the number of community groups that used our facilities after school had finished during the week and on weekends. I spoke to him about the lack of air conditioning in Government Schools and the possibility of a joint project between Wyndham Council and the Government to build a Community Centre on this site.

Trung Luu MP who is the local state member in the Legislative Council has arranged to visit the college on Monday 8 May to meet with us and the Student School Council representatives.

I would like to welcome the new members of the Point Cook Senior School Council.

The result of the recent call for nominations for School Council is as follows:

Parent representatives: Tui Savu

Staff representatives: Shaun Sleep & Melanie Ruskin

As the number of nominations did not exceed the number of vacancies there was no ballot required. We conducted two calls for nominations in the first weeks of March.

There are still three vacant parent positions, consisting of one existing vacancy (two-year tenure) and two consequential vacancies due to recent resignations (one-year tenure). There is also one Community member vacancy.

If any parents or community members know of anyone that would like to be on school council can you please let me know.

# Principal's Report Continues

On Tuesday 28 March I decided to take some time out of the office and accompanied the under 16 and under 18 Rugby League teams to Seabrook Reserve in Broadmeadows for an NRL school's competition. I would like to commend the boys for the spirit of sportsmanship that they displayed in all their games. It was a pleasure to spend the day spectating, I commented to the coaches Lloyd Hutchinson and Danny Tagaloa how proud I was of our students and what fantastic ambassadors they are for the college. A special mention to the coach's assistants on the day Katu, Skyla and Zamyah, a great team effort by the whole squad. Lookout for the photo and article.

As I write this column parents and students are turning up to the college for the semester one Parent/Teacher interviews. It has been a wonderful start to 2023 and I think our students have valued being able to have a term at school without any interruptions. I urge all our students to listen to the advice of their teachers and work towards the best possible outcome at the conclusion of the semester. This is only the halfway mark of the semester and there is plenty of time for those that need to improve their results. I also urge parents to support students with home study planning and guidelines that will assist them in achieving the best possible outcomes. When School and Home work as a team with the same goal we will achieve the best results.

I would like to wish everyone a safe break and wish those that will be celebrating Easter a Happy Easter to those that will be celebrating Eid ul Fitr a Happy Eid and those celebrating Vaisakhi I wish you Happy Vaisakhi. These celebrations are traditionally times that we gather with our families and friends and I wish all those who are gathering together over this holiday break for whatever reason, happy and safe times. If you are travelling please do so safely and we look forward to catch up with all our students and staff in the new term.

program**

# Tim Watts Visit

On the 15th of March, Federal Member for Gellibrand and Assistant Minister of Foreign Affairs, Tim Watts, stopped by to talk about his career and engage the students in a mutually beneficial discussion, surrounding politics and leadership.

Sharing his own experiences, he gave the leadership team and VCE Legal Studies students an insight into the inner-workings of the Australian government, as well as encouraging us to follow our own aspirations, so we too can make changes in the world. This was an eye opening, and wonderfully insightful incursion, which allowed us to explore what we feel passionate about, and how we can achieve our own goals.

He was then brought along for a school tour by Mr Mooney, where he was able to see the fantastic facilities and wonderful teaching programs that our school offers. We are so thankful that he came to visit our school, and hope to work closely with him and his office in the future.

Aaron Sinclair  
School Vice-Captain

# Message from the SRC Year 10 Reflection

Dear fellow students,

As one of the Year Level Captains of Year 10, I would like to take a moment to reflect on the incredible first term we've had at Point Cook Senior. To be honest, it was a bit daunting for me at first, leaving the familiar surroundings of my P-9 school and entering the unknown territory of senior high school. But I am pleased to say that the transition has been a lot smoother than I expected.

One of the things I've enjoyed the most is having access to so many resources that we didn't have before. From the library to the computer labs, we are spoiled for choice when it comes to learning materials. I've also been fortunate enough to go on some fantastic excursions as a student leader, which has given me the chance to showcase my communication skills and step out of my comfort zone.

Making new friends has been another highlight for me. It's been great getting to know all of you and discovering the unique talents and qualities that each of you brings to our year level. And of course, the elective subjects have been fascinating. It's amazing to think that the skills we are learning now will help shape our future careers.

Overall, I have loved every moment of my time at Point Cook Senior so far. I am grateful for the opportunity to grow as a student and a leader, and I can't wait to see what the rest of the year has in store for us.

Warm regards,  
Mannat Sharma  
Year 10 Captain

# SRC Day

On the 11th of March, the Student Representative Council spent the day at Wyndham Tech School learning about ways to further develop their leadership skills and communication skills through team building exercises.

We played 'Keep Talking and Nobody Explodes' via a VR headset to develop and discover better ways that we could be communicating with each other and competed in teams building bridges made of spaghetti and tape which was great for us because it really helped us further develop our communication and teamwork skills.

We got fantastic Alumni advice from Alamgir Ali, a graduate from the class of 2022. He shared with us his previous experience in the SRC, his university life and the ways of success. Wyndham Tech School also provided us with great careers advice on ways to better improve yourself for work life, how to create a LinkedIn profile and allowed us to show gratitude to our peers.

This leadership day was really helpful for us to be able to get to know each other leading into the 2023 year which will be full of awesome fundraisers and events and we hope that even if you aren't in the SRC that you will still join us in the planning for future events!

Chantelle Anzaldi  
Dragons House Captain

program

# Harmony Week

During the week beginning on the 20th of March, students and staff at Point Cook Senior celebrated Harmony Week and celebrated the different cultures within our school. Throughout the week, students participated in a variety of advisory activities to do with Diversity, these included a game of Blooket and Kahoot where students learnt about different countries. On Friday the 24th, Le Mana came to our school to help celebrate in Pasifika culture, bringing in food and activities for all.

The SRC also organised a cultural dress day on Tuesday the 21st of March, to celebrate the different cultures that bring unity within our school. Students who did not have a specific cultural dress were encouraged to dress up in the colour orange. It was a gold coin donation event and the school raised \$267 for Save the Children's Türkiye (Turkey) and Syria Earthquake Relief Fund. During lunch that same day, various students performed a small fashion show to showcase the beautiful outfits of their culture. Thank you to all the students for sharing their culture with us, and thank you to all the SRC members who helped to organise the day.

# Physics Day at Luna Park

On the 10th of March, we, the Point Cook Senior physics class went on an excursion to Luna Park where we investigated topics of 'Motion'. We attended the rides and conducted a series of experiments and investigations in order to gather information and answer questions pertaining to these topics. It was a great learning experience and made learning the content exhilarating and amusing. It was also a great opportunity to interact with other schools and students as well as to consolidate knowledge for these physics topics.

Saksham Sharma, 12E

# Year 12 Fashion

On Friday the 17th March, the Yr 12 Fashion students attended the amazingly breathtaking Alexander McQueen exhibition at The National Gallery of Victoria. We were inspired by the garments and were amazed by the level of detail in the designs. It was incredible to see garments that we had only ever seen in magazines, on celebrities and history books in real life. We had a fabulous day and left feeling absolutely inspired!

The Yr 12 Fashion class

# Senior Tennis

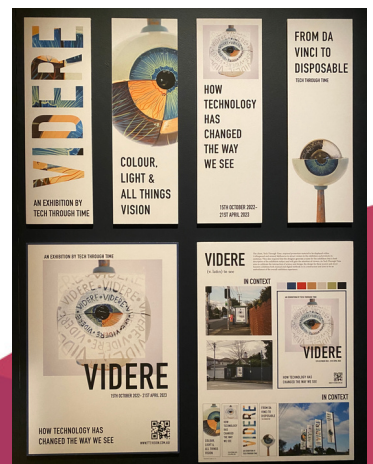

Our school attended Bayside College with 11 students, 6 boys and 4 girls. We beat Homestead and Williamstown B, but unfortunately lost to Williamstown A and Bayside. Our girls team were the Runner's Up for their division.

# Year 12 Visual Communication Design

Top Designs and Melbourne Now Exhibitions, 30th March.

To help the Year 12 students prepare for their upcoming design folio, we visited Top Designs at the Melbourne Museum. Students found it very inspiring to see the high-quality developmental folios and polished final presentations. After our visit, we travelled to Federation Square to see the Melbourne Now exhibition. The innovative and striking pieces of art and design on display gave students lots of inspiration for their own design projects.

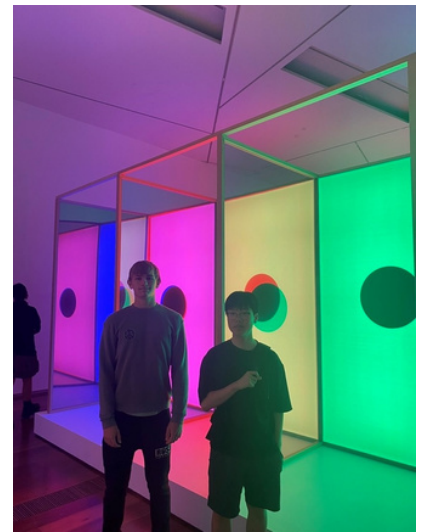

# Art Making & Exhibition Top Arts Excursion

Year 11 and 12 students as part of their Unit 1 and Unit 3 SACs ventured into the city to explore a variety of different exhibition and art spaces and to view the 2023 Top Arts Exhibition at NGV.

Students first explored some street art taking it to the alleyways of Melbourne before going to the Ian Potter Gallery at Federation Square that hosts the Australian art collection of NGV. This gave students and insight into a public art space which they could then contrast with a commercial art space later in the day visiting Flinders Lane Gallery.

Students also got to go behind the scenes and view the best art folios from across the state from 2022 and have a talk hosted by one of the Top Art curators giving them insight into how an exhibition is designed and some of the curatorial intentions of the artists within the exhibition.

We had an amazing day, taking lots of photos and enjoyed seeing all the work of varying artists, gaining a greater understanding of what goes into an exhibition and choosing the appropriate space to exhibit in.

# Inter-school Rugby

Term one has been quite busy and full of memorable moments by all who participated in the NRL's Rugby Gala days against other schools in the region. On the 7th of March we took three teams out to Seabrook Reserve to play for the day. Our under 18s girls played well winning most of their matches. The girls played the day well as a team and with their enthusiasm and determination created some great plays and dominated the other schools. They were great ambassadors for the school and showed the values that we like to see from our Point Cook players.

The Under 16s boys also showed their skills and moves on the field to also dominate the less practiced teams, teaching them some lessons on how the game is played. The boys moved through the first 2 games with ease. By the last match the boys were showing a little tiredness and soreness causing the boys to fall behind in their tries. The way in which they played was a real testament to our school and they were rewarded by moving through to the State Finals. The under 18s boys had a slightly more memorable day full of scuffles, injuries and chaos. The day started off with a nice and easy win, where the boys were able to warm up gently whilst smashing the other team. The second game was a little more balanced but the boys were not so fond of the other teams' antics, causing a little bit of steam being blown and points being taken away. The last match, our boys were tired and also sore which caused our boys to not quite get over the line. However, the team also made it to state finals making the day a little better.

On the 28th we had the state finals (redemption day). We took the two boys' teams back to Seabrook Reserve to play in the state finals. The seniors were lined up to play only two matches, Craigieburn and Melton. The first game against Melton may not have gone to plan with the Melton winning only by a try or two but our boys held their heads up and were really great sports about the loss. This pride continued against Craigieburn who came on the field willing to take us down but again our boys ran on believing that they could win, only to lose, but with their heads held high. Even though they lost both games, they did it with grace and their humbleness really showed what Point Cook is made of. Well done.

The under 16s came up against 3 teams to begin with. The first match was up against a team full of basketballers and AFL players, needless to say our boys smashed them and started the day off on a high. After the confidence building, first match, our boys came up against teams with more experience and greater determination to win. However, we were confident and we smashed the first team so our boys were able get over the next two teams to reach the finals. The first final was again Maranatha Christian School. Even though they held up against us well, we were still able to conquer them and move through to the actual finals. However, during the match, our boys decided that it was time to have a group cramp session. Moving into the finals with cramps, injuries and all-round tiredness, our boys finally succumbed to the powers of Craigieburn with a nice loss full of pride and humility. In the end we came second in the state finals which was a fantastic outcome. Unfortunately, due to many reasons, the girls were unable to have a team playing on the day.

The Point Cook family would be very proud of each of our teams and I would like to thank everyone who participated. Well done. A shout out to our helpers on both days and a special shout out to one of our students, we're glad everything worked out for the best.

# Alumni

On Thursday 9th March Alamgir Ali represented the Point Cook Senior Secondary College Alumni to support the Student Representative Council during their Leadership Day at Wyndham Tech School. He presented his experiences as part of the SRC, university life and ways to achieve success.

Alamgir participated in a VR workshop that focussed on communication and teamwork, then conducted a workshop which required the students to work together to create bridges using spaghetti and tape.

Thank you Alamgir for supporting the SRC students of PCSSC and hope that you can continue to be part of our community.

Do you have a child that has graduated from PCSSC and they would like to join the alumni program or know what is involved? They can email me at: [8847-alumni@schools.vic.edu.au](mailto:8847-alumni@schools.vic.edu.au) or visit the alumni page on the school website to follow the social media links or complete a registration form.

# LRC News

We have had an array of new books available this month which are on display and available to borrow. Some of the titles are: Last man out, Spice Road, Saltwater boy, Two can play that game, Wait for me, 28 days, Grace notes and Australia-Korea: celebrating 60 years. If there are any titles that we do not have in our collection that you would like to read, please let me know.

Just a reminder that laptops, chargers and calculators are available on a daily loan basis unless other arrangements have been organised. Please return equipment to the LRC by the end of the day. Overdue notices are emailed weekly students, could overdue items please be returned to the LRC.

# Grand Prix

In our Year 12 WRS class this year we have been exploring workplace hazards, injuries and workplace bullying. As a group we have studied how to identify and prevent hazards in the workplace. All Year 12 VM students were given the opportunity to attend the Grand Prix to explore a real-life event/workplace and hazard management measures. The aim of this trip was to be able to identify any OHS issues and hazards at the event.

Overall, it was really cool to be able to go out of school and experience the grand prix with my peers and have a great day with awesome teachers. We were able to identify many safety measures to prevent a hazard at the event and its surroundings. It truly was a great time had by all.

# The Wellbeing Hub

## Welcome to the Hub!

A new space for Point Cook Senior in 2023. This is just the first phase of the Hub, with plenty more updates to come. At this stage it's just a quiet space for students to come to, if they need some timeout and a quiet space during the day.

## The Wellbeing Team

Sunny

Hey I'm Sunny and I am the Youth Worker at school. Do you want to chat to someone about school, family, friends, mental health, or something else? Then you can visit me at the Wellbeing Hub. I'm a casual, friendly face and you don't need to make an appointment. Together we can work out what help you might want and how you can find it. That includes support at school like a counsellor, careers advice, or help talking with your teachers. I can also help you find services outside of school such as local youth programs, mental health services, legal advice, and more. If you need help with something, or have questions and you aren't sure who to ask, come by the Wellbeing Hub and say hello!

Hello! My name is Susan Connors and you can find me in the Wellbeing Hub! I do some counselling, as well as more informal support. You can make an appointment with me through your teacher, or just pop into the Hub and say hi. I'm here to help you work through any issues or obstacles that you're facing inside or outside of school, or talk about anything that's going on for you! If I'm not the best person to help you with what's going on, I can also refer you to someone else in the wellbeing team, or services and supports outside of school.

Susan

Susan Cam

Hello! My name is Susan Camilleri-Cline (Susan Cam) you can find me in the wellbeing hub. I support students holistically with their goals and what they wish to achieve with their studies, attendance or with their pathways. Ways in which I can support are with individualised schedules, plans and regular ongoing support as well as any referrals that may be required. Fun fact: I like to game, just not on school nights

Hello!

My name is Irma. You can find me at the front office for counselling appointments during school hours. I'm often popping by the hub to say hello and lending a helping hand to support students in the space. I can help you with navigating challenges in your life and the emotional rollercoaster that comes with this. We can work together on some helpful strategies and celebrate your progress. Get in touch with me through a teacher, the Wellbeing Leader, or simply send me an email 😊

Irma

# THE BREAKFAST everyone is welcome CLUB

Our Breakfast Program has been supporting students in need for 11 years now!

Not only does our program provide students with a fulfilling breakfast to start their day with, but it also improves student wellbeing, supporting their outcomes.

Everyone is welcome to attend and enjoy a free breakfast and a carefree environment to start their school day.

Join us and build positive relationships with staff and students!

where? Room 312

when? Fridays 8:00am - 8:30am

## ATTENDANCE

Student attendance information is available on Compass, including the option to approve absences and input requests to leave early for an appointment.

### ***Late Arrival To School***

Students are requested to use the Compass card to sign in at the Compass Kiosk at the front of the school.

Students who do not have cards can report to the attendance office.

### ***Early Leave***

Parent approval is required for any student requesting to leave early. This can be done either by having parents enter approval on Compass or contacting the attendance office.

**Students are required to provide a medical certificate when absent from a VCE class or assessment**

***Attend Today,  
Achieve Tomorrow***

**Majority of our communication with parents at PCSSC are made through the Compass Parent Portal.**

All parents have a portal account that provides access to:

- reports
- attendance information
- absence requests and approvals
- school photo ordering, teacher email contact
- booking for parent-teacher interviews
- calendar of events
- excursion consent/permissions and
- news items to keep you updated with what is going on.

**If you are a CSEF (Camps, Sports & Excursions Fund) recipient,** please contact the school before consenting to any event so that we can adjust the costing.

***To access your account:***

1. go to the College's homepage: [www.pointcooksenior.vic.edu.au](http://www.pointcooksenior.vic.edu.au)
2. click on the Compass Portal icon

OR

directly go to Compass login: <https://pointcooksenior-vic.compass.education/>

**If you are having trouble accessing your account,** click on the "Can't access your account" and follow the prompts to access it using your username, email address or mobile number.

**If you need guidance on how to navigate the Compass Portal,** please contact the school or see the 'Compass Help' page on the school website.
